

Artist info

Holger Hecler

Holger Hecler ---- the career of this artist spans back as far as 1997. Since then he has been a constant figure in the Berlin music scene. Musically his journey has brought him through various genres and different styles. Today you can easily hear this variety in his mixes and music, a very own formula combining Deep House, Minimal and Techno with dips of various genres from around the world.

Holger is part of numerous collectives like Bachstelzen, Kater Holzig, Ritter Butzke, Feines Tier and Freudentaumel, representing this very special spiritually fueled club sound Berlin is famous for. As a matter of fact he is also well underway in expanding his international status.

What his listeners think about him, reads as follows:
